Utah has special rules regarding Self Study (SS) courses and Classroom (Clssrm) courses. Please make sure you are familiar with your state's rules regarding your CE requirements.

Please Note: All courses offered by The American College, whether in classroom or online, qualify for self-study CE only unless otherwise noted.

E-Contains ethics credit.

Financial Planners

All American College courses meet the requirements of the PACE program for ChFCs. Most courses also meet the CE requirements of Certified Financial Planner Board of Standards (CFP Board). The CFP Certification column shows the number of hours that have been granted. American College courses listed do not satisfy the CFP Certification continuing education ethics requirement.

Life and Health Agents

The American College submits most of its courses to the states for continuing education credit. This guide shows the number of hours that have been granted for agents who are licensed to sell life and health insurance unless otherwise noted.

PACE Recertification

Most American College courses meet the requirements of the PACE Recertification Program for CLUs, ChFCs, RHUs, REBCs, CLFs, CAPs and CASLs. This guide shows the number of hours that may be claimed.

Important MI Reporting Requirements: MI law requires that CE is reported within 30 days of passing the examination. Please call (800) 263-7265 immediately to pay MI's required \$1.00/credit hour fee if the fee was not paid at time of course registration. Failure to do so will result in CE credits not being submitted. Please allow The American College 7-10 days to process your CE request.
