Updated 06/30/2009

PLEASE BE ADVISED: State CE laws change and approved course renewals vary. Either situation may cause a change in the number or breakdown of credits listed after publication. The student is ultimately responsible for making sure that credits are correct and reported.

P: Pending approval. The College submits courses and programs only when it expects continuing education credit to be granted. However, no guarantee of approval can be made. In addition, the amount of credit granted may vary among organizations and states.

0 (zero) credits: State has denied approval to the course based on content.

GE stands for General Ethics and will yield one ethics credit for Arkansas producers.

♥ Minnesota producers must complete at least one half of their CE hours needed to renew their license, as a traditional classroom. This means coursework that is not company-sponsored, internet, self-study, or any other method that is not traditional classroom. Please note that all of our courses are considered self-study in the state of Minnesota.

Please Note: All courses offered by The American College, whether in classroom or online, qualify for self-study CE only unless otherwise noted.

E-Contains ethics credit.

L-Contains law credit.

LR-Contains law and regs credit.

Financial Planners

All American College courses meet the requirements of the PACE program for ChFCs. Most courses also meet the CE requirements of Certified Financial Planner Board of Standards (CFP Board). The CFP Certification column shows the number of hours that have been granted. American College courses listed do not satisfy the CFP Certification continuing education ethics requirement.

Life Only and Health Only Agents

Many American College courses are approved for continuing education credit for agents who are licensed to sell life insurance only. For more specific information call the Office of Student Services, (888) AMERCOL or (888) 263-7265.

Life and Health Agents

The American College submits most of its courses to the states for continuing education credit. This Guide shows the number of hours that have been granted for agents who are licensed to sell both life and health insurance.

PACE Recertification

Most American College courses meet the requirements of the PACE Recertification Program for CLUs, ChFCs, RHUs, REBCs, CLFs, CAPs and CASLs. This guide shows the number of hours that may be claimed.

AR: Examinations must be taken at centers with state-registered proctors. Contact the Office of Student Services for a listing.

Important MI Reporting Requirements: MI law requires that CE is reported within 30 days of passing the examination. Please call (888) AMERCOL or (888) 263-7265 immediately to pay MI's required \$1.00/credit hour fee if the fee was not paid at time of course registration. Failure to do so will result in CE credits not being submitted. Please allow The American College 14 days to process your CE request.
